

**Mr Andrew CHOW**  
**President, ST Electronics (Info-Comm Systems) Pte Ltd**

Mr Chow took on the appointment as President of ST Electronics (Info-Comm Systems) Pte Ltd on 1 January 2011, having previously been responsible for its operations as Senior Vice President/Deputy General Manager since 2004.

A wholly-owned subsidiary of Singapore Technologies Electronics Limited, ST Electronics (Info-Comm Systems) is a leading system solution company for info-communications, electronics and intelligent transportation systems, serving customers in defence, public and commercial sectors.

Mr Chow had previously served as the General Manager of the company's subsidiaries, ST Electronics (Info-Security) Pte Ltd and DataMark Technologies Pte Ltd from 2000 to 2010. Both of these companies specialise in the design, development and delivery of info-assurance, products and cyber security solutions under the DigiSAFE brand.

Mr Chow graduated from the Nanyang Technological University, Singapore with a Bachelor Degree in Engineering (Honours). He also attended the Programme for Executive Development (PED) at the International Institute for Management Development (IMD), Switzerland in 2006.

Mr Chow was elected as the President of the Intelligent Transportation Society of Singapore (ITSS) in 2015. He is also a Councillor in the Singapore InfoComm Technologies Federation (SiTF) and has served in this capacity since 2010.
