

Mr David LIM Soo Shin
Senior Vice President, Business Development & Planning
Singapore Technologies Electronics Limited

Mr David Lim is responsible for group corporate planning and business development in ST Electronics. His responsibilities cover strategic investments, mergers and acquisitions, partnerships and other strategic business growth initiatives. He was appointed to his current position in July 1997.

In October 2009, Mr Lim was appointed to the concurrent appointment of Senior Vice President, Business Development, ST Engineering, reporting to the group's Deputy Chief Executive Officer.

Mr Lim first joined the Singapore Technologies Group as a Business Development Manager in CET Technologies Pte Ltd in 1995, where he had been instrumental in setting up several new businesses and R&D programmes, in particular those related to Intelligent Transportation Systems (ITS) and Radio Frequency Identification (RFID) Applications.

Prior to that, he had served as a Department Head for Information Systems & Planning in the Defence Material Organisation, MINDEF.

Mr Lim obtained his Bachelor of Engineering and Master of Business Administration degrees from the National University of Singapore. He holds a Certified Diploma in Accounting & Finance (CDAF-ACCA). He has also completed the Program for Management Development at the Harvard Business School in the United States.

Mr Lim currently serves as a Company Director on the Boards of ST Electronics (Digital Media) Pte Ltd, ST Electronics (Data Centre Solutions) Pte Ltd, iWOW Pte Ltd, TranSys Pte Ltd, Intellect Technologies LLC in the United States and GFM Electronics S.A. de C.V. in Mexico.

Married with two children, Mr Lim enjoys golf, working out in the gym, music and reading.
